

Custom Reports

Hire SimpleLegal to help you create custom reports specific to your department's needs.

SimpleLegal's reporting capabilities offer incredible insight into how your department and vendors are performing. In some cases, a need for a new type of report arises, and whether due to limits in resources or expertise, it may make the most sense to engage SimpleLegal's reporting experts in our Professional Services Group (PSG) to assist.

Find the answers you need from your unique data by partnering with SimpleLegal to build custom reports. Our proven custom report creation process includes the following steps:

1

Gather Requirements

Validate scope and report specification to gauge feasibility

2

Prep Data & Test

Identify needed datasets and test
Determine cost of custom report creation

3

Build the Dashboard

Create the custom report

4

Review with Customer

Review report and log any minor change requests

Once a final custom report is delivered, you will have the ability to edit, clone, or change the report by yourself!
